

BEING WITH YOU

Artist: Misc Praise Songs

Holy Spirit, we come into your presence
I am thirsty, I am thirsty
Fill me up with Your living water
Your outpouring, the anointing

Being with You, makes me feel brand new
Takes away the pain, forgives my past
Being with You,
Joyful through and through
Holding your hands looking at your eyes,
I'm in love with You

Holy Spirit, we come into your presence
I am thirsty, I am thirsty
Fill me up with Your living water
Your outpouring, the anointing

Being with You, makes me feel brand new
Takes away the pain, forgives my past
Being with You,
Joyful through and through
Holding your hands looking at your eyes,
I'm in love with You
