

**MAJESTIC**

When I look into the sky  
I see the touch of an artist's hand

I see the world that you designed  
Here in awe I humbly stand

Who compares to you

Oh lord our lord  
How majestic is your name

With the earth we rejoice  
While the angels sing your praise

How majestic is your name

Who am I that you would mind  
And yet you know every part of me

You give me love, you give me life  
To know your heart is my destiny

None compares to you

Oh lord our lord  
How majestic is your name

With the earth we rejoice  
While the angels sing your praise

How majestic is your name

Your glory is higher  
Than all the earth and heavens

Your beauty, your splendor  
Go on and on forever

Your glory is higher  
Than all the earth and heavens

Your beauty, your splendor  
Go on and on forever

Oh lord our lord  
How majestic is your name

With the earth we rejoice  
While the angels sing your praise

Oh lord our lord  
How majestic is your name

With the earth we rejoice  
While the angels sing your praise

How majestic is your name  
How majestic is your name  
How majestic is your name
