### Verse 1:

Waking up knowing there's a reason  
All my dreams come alive  
Life is for living with You  
I've made my decision  
You lift me up fill my eyes with wonder  
Forever young in Your love  
This freedom's untainted with You  
No moment is wasted

### Pre-Chorus:

See the sun now bursting through the clouds  
Black and white turn to color all around  
All is new in the Savior I am found

### Pre-Chorus:

This is living now  
This is living now

### Verse 2:

You lead the way God You're right beside me  
In Your love I'm complete  
There's nothing like living with You  
This life You created I choose

### Pre-Chorus:

See the sun now bursting through the clouds  
Black and white turn to color all around  
All is new in the Savior I am found

### Pre-Chorus:

This is living now  
This is living now

### Bridge:

You take me higher than I've been before  
It's Your perfect love that sees me soar  
God You're freedom is an open door  
You are everything I want and more

### Rap:

Maybe I ain't really know what livin' it  
Is it love, if it was, am I livin' it  
Do I live in it (yeah) so astounding  
Love is an ocean, you can drown me  
The sweet embrace, the lovely taste  
I taste and see  
I'm under grace the place to be  
It means I'll never need an umbrella  
I'm cool in the cold and the hot weather  
Whether or never I ever  
Understand I'm a man  
In the hands of great plans  
I stand with faith in a life  
I never known or touched  
It's still outside my clutch but  
I'm like what's the dream of  
What's the hope in  
What's the doubt for  
Live to no end  
This is living  
The life I've been given's a gift  
If I'm a live it  
I'm a live it to death  
So what's the dream of  
What's the hope in  
What's the doubt for  
And live to no end  
This is living  
The life I've been given's a gift  
If I'm a live it  
I'm a live it to death, yeah

### Pre-Chorus:

This is living now  
This is living now

### Bridge:

You take me higher than I've been before  
It's Your perfect love that sees me soar  
God You're freedom is an open door  
You are everything I want and more
