### **Verse 1:**

I am broken at Your feet  
Like an alabaster jar  
Every piece of who I am  
Laid before Your majesty

### **Chorus:**

I will bow my life  
At Your feet  
At Your feet  
My lips so lost for words  
Will kiss Your feet  
Kiss Your feet

### **Verse 2:**

Oh the gravity of You  
Draws my soul unto its knees  
I will never be the same  
I am lost and found in You

### **Chorus: - (2x)**

I will bow my life  
At Your feet  
At Your feet  
My lips so lost for words  
Will kiss Your feet  
Kiss Your feet
