Verse 1:

I'm alive
Cause Jesus gave me life
He opened up my eyes
And I can see clearly now
Oh, Everybody dance now, Oh

Chorus:

Everybody
Give it up for Jesus
Give Him glory
For He has redeemed us
Everybody
Give it up for Jesus
Praise His name

Verse 2:

My desire
Is to lift You higher
It's only burning brighter
This passion inside of me
Oh, Everybody dance now, Oh

Chorus: - (2X)

Everybody
Give it up for Jesus
Give Him glory
For He has redeemed us
Everybody
Give it up for Jesus
Praise His name

Bridge:

This praise is bursting out
And I can't contain it now
This praise is bursting out, out, out

Chorus: - (2X)

Everybody
Give it up for Jesus
Give Him glory
For He has redeemed us
Everybody
Give it up for Jesus
Praise His name
