Verse 1:

Speak to me
You're the only voice I want to hear
Walk with me
Show me who You are as I draw near

Chorus:

If You're not in it
I don't want it
Let all else fade away
Take the whole world
Give me Jesus
Let all else fade away

Verse 2:

Satisfy
You're the only one I'll ever need
Holy fire
burn away the old that stands between

Chorus:

If You're not in it
I don't want it
Let all else fade away
Take the whole world
Give me Jesus
Let all else fade away

Chorus Tag:

Let all else fade away

Bridge: - (2X)

Your name
Is the only name that matters
And Your heart
Is all that I desire
And not my will
But Yours alone forever
Here's my life
Have Your way

Bridge Tag:

Here's my life
Have Your way
Here's my life
Have Your way

If You're not in it
I don't want it
Let all else fade away
Take the whole world

Let all else fade away

Refrain: - (2X)

So turn your eyes upon Jesus
Look full in His wonderful face
And the things of earth will grow
strangely dim
In the light of His glory and grace
