

**HAVE YOUR WAY**

By: Feast Worship

<https://theworshipsongs.com>

**Verse 1:**

As heaven is far above the earth  
Your ways are higher than mine  
So who am I to take control  
Of this life You have designed

**Pre-Chorus:**

So what is left to me to say  
What is left to me to do  
But lose myself in Your embrace  
Knowing I'll be found in You

**Chorus 1:**

Take away what's not from You  
Empty my heart and make it new  
When there are things I can't control  
Help me trust in the unknown

**Chorus 2:**

Take what's not for me to hold  
Break me apart and make me whole  
Lead me to where I should be  
Show me things that I can't see  
Oh my King whose voice the stars obey  
Let Your will be done  
Lord have Your way

**Verse 2:**

Your plans for me are far too grand  
Far too great to comprehend  
Your love and mercy far too wide  
I don't think I'll ever understand

**Pre-Chorus:**

So what is left to me to say  
What is left to me to do

But lose myself in Your embrace  
Knowing I'll be found in You

**Chorus 1:**

Take away what's not from You  
Empty my heart and make it new  
When there are things I can't control  
Help me trust in the unknown

**Chorus 2:**

Take what's not for me to hold  
Break me apart and make me whole  
Lead me to where I should be  
Show me things that I can't see  
Oh my King whose voice the stars obey  
Let Your will be done  
Lord have Your way

**Bridge: - (2X)**

I will be still  
Knowing that the victory is Yours  
I will pray still  
Even when my dreams don't go my way  
Oh Lord I will  
Give You my life and all my days  
Surrender and trust in all Your ways  
I will

**Chorus 1:**

Take away what's not from You  
Empty my heart and make it new  
When there are things I can't control  
Help me trust in the unknown

**Chorus 2:**

Take what's not for me to hold  
Break me apart and make me whole  
Lead me to where I should be  
Show me things that I can't see  
Oh my King whose voice the stars obey  
Let Your will be done  
Lord have Your way
