Verse 1:

When life is overwhelming
And fear is all I feel
Your word that lives inside me
Reminds me You are here

Pre-Chorus:

My hope You restore
Your promise is sure
And I am convinced
That You are faithful

Chorus:

All things are possible
In Your name
All things are possible
In Your name

Verse 2:

The stars they hold Your promise
You guide me through the night!
My heart is set to worship
My great reward is Christ

Pre-Chorus:

My hope You restore
Your promise is sure
And I am convinced
That You are faithful

Chorus: - (2X)

All things are possible
In Your name
All things are possible
In Your name

Bridge:

All shadows are lost
Your light's breaking through
Shaken no more, I see only You
All shadows are lost
Your light's breaking through
Shaken no more, I see only You
All shadows are lost
Your light's breaking through
Shaken no more, I see only You
I see only You

Chorus: - (2X)

All things are possible
In Your name
All things are possible
In Your name

Outro:

We believe in Your power, Jesus
We believe in Your name
All things are possible
