**Verse 1:**

You still the oceans at Your call  
And at You whisper mountains fall  
All of creation in Your control  
Jesus You reign  
You are Lord of all

**Verse 2:**

Here at Your feet we are on our knees  
You are enough You are all we need  
You calm our hearts  
And You give us peace  
Jesus You reign  
You are Lord of all

**Chorus:**

In Your Name  
We are saved, we are healed  
In Your Name  
We are free  
For all our days  
We will shout in victory  
Jesus You are Lord of all

**Verse 3:**

Death could have never held You long  
For You are risen forevermore  
You reign in Glory we stand in awe  
Jesus our King  
You are Lord of all

**Chorus: - (2X)**

In Your Name  
We are saved, we are healed  
In Your Name  
We are free  
For all our days  
We will shout in victory  
Jesus You are Lord of all

**Bridge: - (2X)**

There is power in Your name  
Darkness bows before the King  
Evil trembles as we sing  
There is power in Your name  
So we worship and proclaim  
Jesus Name above all names

**Chorus: - (2X)**

In Your Name  
We are saved, we are healed  
In Your Name  
We are free  
For all our days  
We will shout in victory  
Jesus You are Lord of all
