<https://theworshipsongs.com>**Verse 1:**

Your love
It knows no bounds
It goes on
It won't run out

Verse 2:

Your love
It found me here
Made a way
To draw me near

Chorus 1:

Oh what measure what measure
Can fathom Your love
Oh how boundless how endless
It's more than enough
Oh the closest I have
That can measure your love
Is the distance Your
Arms stretched wide
Upon that cross
Upon that cross

Verse 3:

Your grace
You freely give
Through the Cross
I now receive

Verse 4:

Your grace
It rescued me
From my sin
You set me free

Chorus 1:

Oh what measure what measure
Can fathom Your love
Oh how boundless how endless
It's more than enough
Oh the closest I have
That can measure your love
Is the distance Your
Arms stretched wide
Upon that cross
Upon that cross

Bridge: - (2X)

Through Your death and life
Oh Your Love stretched Wide
You have given me
Everlasting life
I will sing Your praise
With my arms stretched wide
For I once was dead
Now I come alive
