Verse 1:

Promise maker
Promise keeper
You finish what You begin
Our provision
Through the desert
You see it through to the end
You see it through to the end

Chorus 1:

The Lord our God is
Ever faithful
Never changing
Through the ages
From this darkness
You will lead us
And forever we will sing
You're the Lord our God

Verse 2:

In the silence
In the waiting
Still we can know You are good
All the plans are
For Your glory
Yes we can know You are good
Yes we can know You are good

Chorus 1:

The Lord our God is
Ever faithful
Never changing
Through the ages
From this darkness
You will lead us
And forever we will sing
You're the Lord our God

Bridge:

So we won't move without You
We won't move without You
You're the light of all and all
That we need
So we won't move without You
We won't move without You
You're the light of all and all
That we need
we won't move without You
We won't move without You
You're the light of all and all
That we need
we won't move without You
We won't move without You
You're the light of all and all
That we need

Chorus 2:

The Lord our God is
Ever faithful
Never changing through the ages
From this darkness
You will lead us
And forever we will sing
You're the Lord our God
And forever we will sing
You're the Lord our God
And forever we will sing
You're the Lord our God
You're the Lord our God
You're the Lord our God
