Verse 1:

The cross of calvary
Is the story that reminds
Your love for me
You took my sin and shame
So I can live again

Verse 2:

You won the victory
For you pay the price that set
The captives free
Death is overcome
Worthy is the Lamb

Chorus:

Jesus Your love is beautiful
Jesus Your love is beautiful
I'm longing to be close to you my
Savior
I'm hungry for more and more of You
